Reasons for Supplemental Notice of Allowability

1. It has been brought to the examiner's attention that in the original Notice of Allowability mailed 03/08/06, renumbered claim 9 (original claim 33) was incorrectly dependent on renumbered claim 10 (original claim 14). The First purpose of this Supplemental Notice of Allowability is to resolve this problem. See Form PTOL-37 that accompanies this office action for the correct version of the allowed renumbered claims. The second purpose of this Supplemental Notice of Allowability is in response to applicant's communication filed 04/13/06 requesting that all the references listed on Form 1449 filed 11/22/04 be properly initialed by the examiner. The examiner has done that and states that such references were considered by the examiner during prosecution of the application and were not initialed by the examiner do to an oversight.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
